## JAILED FOR MONTH

Crippled Vagabond Gets Stiff Dose for Being Drunk and Disorderly.

John Bruner, a crippled vagabond who has been in mayor's court several times, got a stiff dose there this morning at the regular session, which was conducted by Mayor Wood. He was sent to jail for thirty days in default of the payment of \$20 and costs imposed for being drunk and disorderly in the street. Bruner is very obnoxious when he is drunk and uses filthy language.

James Baker was sent to jail for three days in default of a fine imposed for drunkenness. William Wilkinson was heard on the complaint of maintaining a nuisance in the rear of his house on Second street, the alleged nuisance being a cow stable, but Mayor Wood decided he was not guilty and dismissed the case.

## BASEBALL MAN

Is Named by the President as Consul in the Panama Canal Zone.

Clarksburg friends of the popular second baseman of the Clarksburg baseball team, just prior to league ball, Alban G. Snyder, are gratified over the following news item:

Alban G. Snyder, son of Judge Philip Snyder, of Charleston, has been nominated by President Roosevelt for consul general to Panama. The nomination was sent to the senate Monday. Mr. Snyder is consul at Buenos Ayres, Argentine Republic, South America, at the present time, and has made an excellent record, and the position to which he is elevated is considered well merited. Mr. Snyder has been in the consular service for several years. Soon after securing a clerkship in the government service, he was made vice-consul to Bogota. He showed remarkable ability and was soon appointed consul to Buenos Ayres.

## EXTRA FARE

Law May Be Asked For By the Railroads of West Virginia.

There is talk of the railroad companies of the State asking the legislature at the coming session to pass a law similar to the one put into effect in Ohio last year, requiring passengers who get on a train without a ticket to pay ten cents more than the price of a ticket. In many cases the Ohio law has proven beneficial in enabling the railroad companies to run their trains on time, but there are some defects in that law which the West Virginia railroad people will endeavor to avoid if the question is taken up at the coming session. The Ohio law requires the purchase of a ticket or the payment of an extra ten cents if the ticket office at which the passenger boards the train is open thirty minutes before the departure of the train. The law has worked all right at the larger stations, but at the smaller ones where one man acts in the capacity of ticket agent, operator, baggage man, etc., a way has been found of getting around the law, as the strict interpretation means that the ticket office must be open consecutively thirty minutes before the departure of the train. If a law of this nature is asked for at the session of the West Virginia legislature the railroad people will endeavor to have it so framed that offices where there is but one man employed the ticket window must be opened thirty minutes before the time of departure of the train, and that it can be closed three minutes before the train leaves in order to give the agent time to handle his baggage.

Also Two Lots in Northwest

The undersigned administrators with the will annexed of Benjamin W. Harbert, deceased, will offer for sale and sell, at public outcry, to the highest and best bidder therefor, at the front door of the court house of Harrison county, West Virginia, on

SATURDAY, JANUARY 16, 1909, at 1 o'clock p. m., all the real estate of which the said Benjamin W. Harbert died seized and possessed, consisting of the following tract or parcels:

First—A tract or parcel of land located on the waters of Robinson's Run, containing 140.93 acres, more or less, and being known as the home farm of the said Benjamin W. Harbert, deceased. Out of this tract there was assigned to Margaret Harbert as and for her dower interest, a certain parcel of said land, one containing 9.64 acres, and bounded and described as follows, to-wit:

Beginning at a stake, corner to lot No. three with one line thereof S 77 E 50 poles to a stake in the original line; thence S 1-2 W 34.50 poles to a stone, corner to B. W. The other lot assigned to said Margaret Harbert, part of her dower interest, containing 28.54 acres, and is bounded and described as follows, to-wit: Beginning at a gate post by the road, corner to lands of A. All of said tract of 140.93 acres will be sold. The two tract or parcels of 9.64 acres and 28.54 acres will be sold subject to the dower interest of the said Margaret Harbert. Said land will be offered for sale in parcels as hereinbefore described, and then as a whole, and will be sold in which ever way it will bring the most money. The Pittsburgh or nine foot seam of coal underlying the greater part of said land has heretofore been sold and conveyed, together with certain mining rights and privileges, and said land will be sold subject to said conveyance. For a particular description of the coal and mining right which were conveyed reference is here made to the deed executed by Benjamin W. Harbert and wife bearing date of February 1st, 1893, to C. B. Carey, Trustee, which deed is of record in said office in Deed Book No. 103, page 82, this being the deed of conveyance of said coal and mining privileges. In this deed the coal underlying three parcels, one containing 26 3-4 acres, one 25 square poles, and one containing 2 acres, is reserved, and these reservations are set out by metes and bounds, but only a part of said reservations contain the Pittsburgh coal. Said land is also under lease for oil and gas purposes and the sale and conveyance of the same will be subject to said lease.

The remaining part of said land after the assignment of dower contains 102.75 acres and is bounded and described as follows, to-wit: Beginning at a post corner to G. H. Berry and to Margaret Harbert's 25.98 acres and running with four 4 1-2 E 104.20 poles to a small locust in an original line and corner thereof cash in hand on day of sale and the residue in two equal annual installments, payable in one and two years from said date, respectively, with interest, the purchaser or purchasers to execute interest bearing notes for the deferred payments with approved personal security, payable as aforesaid, and a vendor's lien will be retained on the property sold as further security.

At the same time and place we will also offer for sale and sell to the highest and best bidder therefor, two certain lots or parcels of land, situated near North View, adjacent to the city of Clarksburg, Harrison county, West Virginia. One of said lots contains one acre and is the same lot or parcel of land which was conveyed to Benjamin W. Harbert, Sr., by C. M. Wickes and wife by deed bearing date on the 26th day of June, 1890, which deed is of record in the office of the clerk of the

county court of said county in Deed Book No. 113, at page 788, in which deed reference is made for a more definite description. The other one of said lots is 50 feet by about 125 feet and is a part of the same property that was conveyed to the said Benjamin W. Harbert, Sr., by Samson Harbert and others by deed dated April 1st, 1901, which deed is of record in said office in Deed Book No. 119, page 578, and being a part of Lot No. 2, as laid down on a plat of Lot No. 2, made by Patsy Cotton which is of record in said office in Deed Book No. 120, page 14. Also a part of lot No. 2 was conveyed to William E. Robey by Samson Harbert and others by deed bearing date July 6th, 1891, which deed is of record in said office in Deed Book No. 124, page 132, to which deeds and plat reference is here made for a full and complete description of said lot.

Said lots will be offered for sale as a whole and in separate parcels and will be sold in whichever way they will bring the most.

Terms of Sale.—Cash. The above sale will be made by virtue of the authority vested in the undersigned by the last will and testament of Benjamin W. Harbert, Sr., which will was duly probated and is of record in said office in Will Book No. 8, page 169.

Despair and Despondency

No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued.  
Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG,  
SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as "just as good."  
It is non-secret, non-alcoholic and has a record of forty years of cures.  
Ask Your Neighbors. They probably know of some of its many cures.  
If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers, in handsome cloth-binding, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
